Identity theft is a rising concern and it can happen to anyone. That's where your Identity Theft Protection Program comes in.

It provides you with information to protect yourself and step-by-step coaching to help you confirm and resolve identity theft.

If you think your identity has been stolen

Just pick up the phone—24 hours a day, seven days a week—and call 1-877-823-5807 if you're in the U.S. or Canada or (240) 330-1422 from anywhere else in the world.

A Symetra Identity Theft Expert will help you obtain a copy of your credit report from all three major credit-reporting agencies. All three agencies will also place a fraud alert on your records.

Once you receive your reports, your Identity Theft Expert will walk you through the documents to determine if fraud or theft has occurred.

Here's the help you'll receive

- Lost wallet assistance¹
- Credit information review²
- Three-bureau fraud alert placement assistance
- ID theft affidavit assistance
- Translation services while traveling
- Emergency cash while traveling (a repayment guarantee is needed)

Tips to remember

- Carry only one or two credit cards.
- Bring only the ID documents that you'll actually need.
- Do not carry your Social Security card in your wallet.
- If your purse or wallet is stolen, immediately report it to the police.
- Notify your financial institution if your credit card is lost or stolen.
